Again, if the following apply:

- You missed payments, or did not need to make dues payments while out on unpaid leave
- You joined at a later date and paid the full 2016-17 dues amount within the 2017 calendar year.
- You paid all or part of your 2016-17 dues by personal check within the 2017 calendar year.

You should:

- Look at your monthly bank statements for the 2017 calendar year if you had dues taken either through EFT or if you paid by personal check to get the total dues paid within the calendar year.

From these totals, you would need to subtract your KEPAC and WEAC PAC contributions:

WEAC PAC: Teachers: \$19.99/ESPs: \$10/Noon Hours: \$5/ Substitute Teachers: \$0
